

PERSON TO PERSON TRANSFERS

Our *Person to Person* Transfer feature allows you to transfer funds electronically to anyone, and all you need is their email address. This is the perfect solution for anyone wishing to send money to a friend or family member. It's much faster than mailing a check and it's safe and secure.

Person to Person transfers is available absolutely free within Bill Payment. You can send funds electronically to virtually anyone in the United States even if you don't have their banking account information.

To get started, just sign up for absolutely FREE Bill Pay by logging into your online banking account and clicking on the Bill Pay tab.

Once enrolled, you will add your payee (the person you are sending funds to). All you will need to add an individual payee is the person's name and email address. An email will be sent to your new payee informing them that you wish to send them funds electronically. Next, they securely enter their banking account information for deposits. This information is kept completely confidential and is never shared with you.
