

ALWAYS FORGETTING YOUR PASSWORD?

Touch ID® now available for our First Line application on all Touch ID enabled IOS devices.

iPhone® users, it's now easier, faster and more convenient than ever to access your First Heritage account using our mobile app. Touch ID allows you to securely access your account using your fingerprint.

EASY

If you have an iPhone with Touch ID enabled -you can use this new feature.

FAST

You no longer have to type in your username and password when logging in. Simply launch our mobile application and place your fingerprint over the home button/ fingerprint ID scanner and that's it.

CONVENIENT

To use Touch ID, make sure you have the most recent version of our app and fingerprints registered for use on your device.
